Message from the Minister

As the Minister responsible for seniors in Alberta, I am pleased to present the *2009-2010 Seniors Programs and Services Information Guide*. This guide is designed to help seniors and their families learn about the various programs and services available to support our seniors.

Seniors are a priority of this government and one of the programs I'm very proud of is the Alberta Seniors Benefit program. This program provides a monthly cash payment to eligible low-income seniors and supplements federal benefits such as Old Age Security and Guaranteed Income Supplement. Other assistance programs provide help with dental and optical costs, certain one-time expenses and the education portion of property taxes.

Information on these and many other programs and services is available on my Ministry's website at **www.seniors.alberta.ca** or by calling the toll-free Seniors Information Line at 1-800-642-3853 or 780-427-7876 in Edmonton.

I am very thankful for your contributions to our communities and dedication to making Alberta a great place to live. I hope you find this guide provides you with practical and useful information to lead a healthy and productive life.

Income Support Programs

PROVINCIAL GOVERNMENT PROGRAMS

Seniors Financial Assistance Programs

Alberta Seniors and Community Supports offers the following income support programs for seniors:

- Alberta Seniors Benefit
- Special Needs Assistance for Seniors
- Dental and Optical Assistance for Seniors
- Education Property Tax Assistance for Seniors

To apply for these programs, you must complete a Seniors Financial Assistance application form.

General Eligibility

You are eligible to apply for the seniors financial assistance programs, if you:

- are 65 years of age or older;
- have lived in Alberta for at least three months immediately before applying;

and

- are a Canadian citizen, or have been admitted into Canada for permanent residence (landed or sponsored immigrant)

If you meet all of the above eligibility requirements for assistance, your level of assistance will then be determined based upon the specific criteria for each program.

Income

Income verification is a key requirement of the following Seniors Financial Assistance programs:

- Alberta Seniors Benefit
- Dental and Optical Assistance for Seniors
- Special Needs Assistance for Seniors

Your limited income information is used to determine benefits — with your consent. It will be obtained directly from the Canada Revenue Agency (CRA). Only the income sources needed to determine your eligibility will be collected.

The Education Property Tax Assistance for Seniors is not income based.

Alberta Seniors Benefit

The Alberta Seniors Benefit program is an income supplement in addition to federal income sources including Old Age Security (OAS) and Guaranteed Income Supplement (GIS). Assistance is based on income and the program provides a monthly cash benefit to eligible seniors.

The cash benefit is determined by:

- the type of accommodation you live in
- your marital/cohabitation status
- your income (combined with your spouse/partner's income if applicable)
- eligibility for the federal Old Age Security pension

General Eligibility

In general, a single senior with an annual income of $24,000 or less, and senior couples with a combined annual income of $39,000 or less, are eligible for a cash benefit. These income levels are guidelines only, and are for seniors whose income includes full Old Age Security pension.

Special Needs Assistance for Seniors

The Special Needs Assistance for Seniors program provides a lump-sum cash payment to eligible low-income seniors. This program provides assistance with allowable one-time or extraordinary expenses. A senior's total annual income and the expense requested are used to determine the amount funded. The maximum assistance available is $5,000 in a benefit year.

General Eligibility

To be considered for the Special Needs Assistance for Seniors program, you must first complete the Seniors Financial Assistance application form. A single senior with a total annual income of less than $24,000 or a senior couple with a total combined income of less than $39,000 may receive assistance.

Available Assistance

Assistance is available for allowable special needs such as appliances, certain medical expenses and the cost of some home repairs.

Special Needs Assistance for Seniors is a program of last resort. All other sources of funding and support, including informal support, must be used before applying to the Special Needs Assistance for Seniors program.

Dental and Optical Assistance for Seniors.

The Dental Assistance for Seniors program provides basic dental coverage to a maximum of $5,000 every five years.

The Optical Assistance for Seniors program provides assistance to a maximum of $230 towards the purchase of prescription eyeglasses every three years.

The amount of coverage you receive is based on your total annual income.

General Eligibility

To be considered for the Dental and Optical Assistance programs, you must first complete the Seniors Financial Assistance application form. A single senior with a total annual income of $31,675 or less, or a senior couple with a total combined income of $63,350 or less, may receive assistance.

How it works

Alberta Seniors and Community Supports has contracted Alberta Blue Cross to process the dental and optical claims. Alberta Blue Cross issues payments to the service provider (dentist/denturist or optical provider) or the senior, depending on how the claim is submitted.

To find out how much of your dental/optical work is paid for, you or your service provider can call Alberta Blue Cross at **1-800-661-6995**. Your Personal Health Number is required when you or your service provider submit a claim or have a dental/optical claim question.

Your claim will be paid in one of two ways:

1. If your service provider bills Alberta Blue Cross directly, the program will pay the service provider for the amount that is covered by the program. If there is a difference between the amount covered by the program and your bill, you need to pay the difference.

2. If your service provider does not bill Alberta Blue Cross directly, you pay the full bill. Then, you can submit an Alberta Blue Cross Claim Form (available from your service provider or online at **www.ab.bluecross.ca**) to get reimbursed for the eligible amount.

Education Property Tax Assistance for Seniors

This program provides a rebate to senior homeowners to cover the year-to-year increases to the education portion of their property taxes over their base year amount. This program is not income based.

How to Apply

If you are applying to the Education Property Tax Assistance for Seniors program for the first time, please submit copies of your property tax notices with your Seniors Financial Assistance application.

The Education Property Tax Assistance for Seniors program has partnered with a number of municipalities to automatically receive property tax information for seniors enrolled in the program. Therefore you will not need to re-apply each year. If your property tax information is not automatically received through this process, or if the program requires additional information, you will receive a letter.

Old Age Security Pension

To be eligible for the federal Old Age Security pension (OAS), you must:

- be at least age 65 (you do not need to be retired);
- be a legal resident of Canada; and
- have lived a minimum of 10 years in Canada after the age of 18. If you are 65 or older and are not covered by the conditions above, you may still qualify for a pension since Canada has social security agreements with many countries. Call Service Canada for information.

You must apply for this pension. If possible, send in your application six months before your 65th birthday.

Guaranteed Income Supplement

The Guaranteed Income Supplement (GIS) is available to seniors who receive the OAS pension and have little or no other income.

Eligibility for this supplement and the amount of the supplement that you receive depends on:

- marital status, and
- total family income in the previous calendar year. If you are married or living common-law, the income of your spouse or common-law partner is included.

The GIS is added to the federal OAS cheque each month. An application must be submitted to receive this benefit.

To continue receiving GIS benefits each year, you must submit a renewal form or file an income tax return by April 30. Couples must file separate income tax returns.

Allowance/Allowance for the Survivor

The Allowance is paid to the spouse or common-law partner of a senior receiving GIS.

To be eligible you must:
- be age 60 through 64, and
- have lived in Canada a minimum of 10 years after the age of 18.

The amount of the Allowance depends on a couple's combined income in the previous calendar year.

People who may be eligible for the Allowance should apply six months before their 60th birthday. It may be applied for any time between ages 60 and 64 and could continue until the age of 65.

The Allowance for the Survivor is available to widowed spouses or surviving common-law partners who have little or no other income and who are between the ages of 60 and 64.

The amount of Allowance for the Survivor depends on the applicant's income in the previous calendar year. To continue receiving the Allowance or Allowance for the Survivor, you must file an income tax return by April 30 each year. If you continue to be eligible, your Allowance or Allowance for the Survivor will automatically be renewed. If you do not file your income tax, you must complete a renewal form.

Canada Pension Plan

The federal government administers the Canada Pension Plan (CPP). You contribute to the CPP through employment or self-employment. There are different CPP benefits. Application forms are available at any Service Canada Centre by calling 1-800-277-9914, or on the website at **www.servicecanada.gc.ca**.

Retirement Pension

You may be eligible for a retirement pension if you worked and have made at least one valid contribution to the CPP. The pension may start at age 65 or, as early as the month following your 60th birthday, at a reduced rate.

Continued next page...

Once you begin receiving your retirement pension, you can no longer contribute to the CPP. If you return to work, inform your employer that you receive CPP retirement pension. Your employer should discontinue your CPP contributions.

A spouse, or common-law partner can apply to share CPP retirement pension payments if both are aged 60 or more. Even if only one of you has been a contributor to the CPP, that one pension can still be shared. Pension sharing can result in income tax savings.

Disability Benefits

CPP pays a monthly benefit to people who:

- are under the age of 65,
- have earned a specific minimum amount and contributed to the CPP while working for a minimum number of years; and
- have severe and prolonged disability as defined by the CPP legislation.

The **Children's Benefit** is a monthly benefit for dependent children of a CPP disability beneficiary. Children must be younger than 18, or if 18 to 25, must be in school full time.

Survivor Benefits

There are three types of survivor benefits.

- The **death benefit** is a one-time payment to, or on behalf of, the estate of a deceased CPP contributor.
- The **survivor pension** is a monthly pension paid to the surviving spouse or common-law partner of a deceased contributor.
- The **surviving child's benefit** is a monthly benefit for dependent children of a deceased contributor. Children must be younger than 18, or if 18 to 25, must be in school full time.

Child Rearing Provision

Months of low or zero earnings spent caring for your child under the age of seven, born after December 31, 1958, may be excluded from the calculation of your pension. This ensures that reduced earnings during the first seven years of your child's life do not result in lower pension benefits in the future.

Credit Splitting (After Divorce Or Separation)

CPP credits earned during the time you lived together may be divided when a marriage or common-law partnership ends in divorce or separation. Further information is available through Service Canada.

Remember, OAS and CPP benefits are not provided automatically; you must apply for them.

DENTAL AND OPTICAL ASSISTANCE FOR SENIORS

Dental Assistance for Seniors

The Dental Assistance for Seniors program provides basic dental coverage to a maximum of $5,000 every five years.

Optical Assistance for Seniors

The Optical Assistance for Seniors program provides assistance towards the purchase of prescription eyeglasses every three years.

Please see page 6 for program details.

ALBERTA AIDS TO DAILY LIVING (AADL)

Alberta Seniors and Community Supports offers the Alberta Aids to Daily Living (AADL) program. This program helps Albertans with a long-term disability, chronic illness or terminal illness maintain their independence in their residences by providing financial assistance to buy medical equipment and supplies to meet their medically assessed needs.

An assessment by an AADL authorizer or specialty supplier determines the equipment and supplies that an Albertan can receive through this program. This may be a nurse, physical therapist, occupational therapist, respiratory therapist, audiologist or other health care professional who works in a community health care centre, hospital, long-term care centre or home care program. Please contact Alberta Health Services to locate an AADL authorizer or specialty supplier.

Note: Medical doctors are not authorizers and do not determine eligibility.

You may be eligible for AADL benefits if you:

- are an Alberta resident;
- have a valid Alberta Personal Health Number; and
- require assistance because of a long-term disability, chronic illness or terminal illness. Long-term and chronic are defined as six months or longer.

How Does The Program Work?

AADL is a cost-share program. You pay 25 per cent of the cost of program benefits to a maximum of $500 per family, per benefit year (July 1 to June 30), on eligible items.

Low-income Albertans are exempt from cost sharing. Your authorizer or local community health care centre will have a Cost-Sharing Exemption Application for you to complete and send to the address on the form.

AADL will no longer issue cost-share exemption cards. If you are exempt from cost sharing, your authorizer and vendor will be notified through the AADL system. If you choose an upgraded item, you are responsible for paying any additional amount.

What Is Covered?

Only certain medical/surgical supplies and equipment are provided. You must be assessed and authorized for AADL benefits before you receive them. AADL cannot refund clients who purchase their own medical supplies before being assessed and authorized for equipment and supplies.

The program does not provide coverage for foot orthotics, eyeglasses, prescription drugs, dental care or dentures.

Hearing Aids

Hearing aids are provided to seniors and their dependants through AADL registered suppliers only and cost sharing applies. When visiting a hearing aid supplier, please ensure that they are registered with AADL as a vendor. For more information about registered vendors, contact:

Alberta Aids to Daily Living
Edmonton: **780-427-0731**

In all other areas of the province, call the **Government of Alberta Call Centre** at **310-0000** to be connected toll-free.

Benefit Information:

- Seniors are eligible for one hearing aid every five years.
- With prior approval, AADL will provide a personal listening device instead of a hearing aid.
- If you are a cost-share client, AADL contributes $708.75 towards one hearing aid. If you are exempt from cost sharing, AADL will contribute $945 for one hearing aid only. This does not include upgrades. If a more expensive hearing aid is purchased, you are responsible for the difference.
- Replacement of batteries is at your own cost.
- AADL will assist with the invoice cost of factory repairs for the hearing aid once per benefit year after the original purchase warranty expires.
- Minor servicing and additional fees charged by the hearing aid practitioner are at your own cost.
- Hearing aids that are lost, stolen or damaged due to misuse are not replaced

by AADL. You may wish to arrange for insurance to cover the loss of hearing aids.

Medical/Surgical Supplies and Rehabilitation or Respiratory Equipment

An AADL authorizer or specialty supplier must assess your need for equipment and supplies and complete an authorization form. Some items may require a physician's prescription.

Program authorizers or specialty suppliers have complete lists of all items provided. A maximum number of benefits are available each year. For details on specific medical/surgical supplies, rehabilitation and respiratory equipment covered by AADL, contact Alberta Health Services or:

ALBERTA BLUE CROSS – COVERAGE FOR SENIORS

Alberta Health and Wellness offers coverage for health-related services not covered by the Alberta Health Care Insurance Plan through Alberta Blue Cross *Coverage for Seniors*. This program is premium-free for all Alberta seniors, their spouses and eligible dependants. *Coverage for Seniors* starts the first month after you turn 65.

Once you are registered with Alberta Health and Wellness for seniors coverage, you will be sent an Alberta Blue Cross card. To receive services, you must show your card.

Coverage for Seniors uses the same benefit year as Alberta Health and Wellness – July 1 to June 30. During one benefit year, *Coverage for Seniors* will provide a maximum of $25,000 in benefits per person for the services listed on the following pages.

Ambulance Services

Ambulance services refer to transportation to or from a public or general, active treatment hospital. You must be ill or injured and transported in a ground vehicle licensed under the *Ambulance Services Act*. *Coverage for Seniors* will pay up to the maximum rate set by Alberta Health and Wellness.

Note: Inter-facility transfers are not covered under Alberta Blue Cross *Coverage for Seniors*. Inter-facility transfers are covered by Alberta Health Services.

Prescription Drugs

A new prescription drug plan for seniors will become effective on July 1, 2010. For information about the plan, visit the Alberta Health and Wellness website at **www.health.alberta.ca** or call **780-638-2844**, or toll-free in Alberta call **310-4455.**

Alberta Health and Wellness covers 70 per cent of the cost of prescription drugs, including insulin. You pay the other 30 per cent, up to a $25 maximum per prescription or refill. The pharmacy bills Alberta Blue Cross directly, so your only out-of-pocket expense is the 30 per cent. Only prescription drugs listed in the *Alberta Health and Wellness Drug Benefit List* are covered.

Continued next page...

Note: If an interchangeable drug product is available, *Coverage for Seniors* will pay the least-cost alternative price.

Purchase only the medicine you need, in quantities you will use. The maximum prescription quantity is a 100-day supply. It is best to be stabilized on the drug dose before getting this quantity. A pharmacist cannot dispense a larger quantity without authorization from Alberta Blue Cross. If you plan to travel outside Alberta and need medication for more than 100 days, talk to your pharmacist at least two weeks before your departure. This will give your pharmacist enough time to obtain authorization.

Alberta Blue Cross *Coverage for Seniors* also provides coverage for services received in other parts of Canada or outside the country. You may be asked to pay for these services at the time they are provided. To be reimbursed, send Alberta Blue Cross a completed and signed Alberta Blue Cross health claim form, with receipts attached. Benefits for services received out-of-country are paid in Canadian funds according to approved Alberta benefit rates.

Other Services

For the following services, you pay the bill then submit the receipt to Alberta Blue Cross for reimbursement:

- clinical psychological services (up to specified maximums)
- home nursing care (up to yearly maximums)

For more information about Alberta Blue Cross, visit their website at **www.ab.bluecross.ca** or contact your nearest Alberta Blue Cross Office.

Continuing Care Services

Alberta's continuing care system provides Albertans with the health, personal care and accommodation services they need to support their independence and quality of life. Continuing care services are provided in three streams:

- home living;
- supportive living; and
- facility living.

Each stream can provide clients with a broad range of health and personal care, accommodation and hospitality services.

Home Living/Home Care Services

Often referred to as home care, home living is for people who live in their own home, apartment, condominium or another independent living option. They are responsible for arranging any home care and support services they require.

Continued next page...

Alberta Health Services is responsible for home care. Services are provided to people of all ages based on assessed need.

Referrals for home care services come from many sources including family members, friends and doctors. Home care services, including respite to relieve informal caregivers, may be provided.

Home care services include professional and support services. Professional services are nursing, social work, physiotherapy, occupational therapy, nutritional services and respiratory therapy. Support services are personal care services such as bathing, dressing and grooming. There is no charge for professional and personal care services.

Supportive Living

Supportive Living combines accommodation services. It meets the needs of a wide range of people, but not those who have highly complex and serious health care needs.

In addition to providing a place to live, services in supportive living facilities can include meals, housekeeping and social activities. Supportive living residents can also receive professional and personal support services through home care.

Facility Living/Long-Term Care Centres

In Alberta, long-term care facilities (nursing homes and auxiliary hospitals) provide room and board and a range of care services, including skilled medical and nursing care provided through contracts with Alberta

Health Services. These facilities vary in size and are located throughout the province.

The province pays all health care costs based on individual need assessments for patients who meet the following conditions:

- you must be eligible for registration with the Alberta Health Care Insurance Plan;
- you must have lived in Alberta for three consecutive years at any time previously; or
- you must have lived in Alberta for one year immediately prior to applying; and
- you must have been a resident of Canada for 10 years or more.

Residents of nursing homes and auxiliary hospitals are not charged for the cost of prescription drugs as prescribed by the resident's attending physician. Ambulance services are also provided at no charge if a patient is transferred to or from a hospital for care or treatment.

Residents of long-term care facilities are responsible for the following accommodation charges:

- $44.50/day for standard accommodation
- $47.00/day for semi-private accommodation
- $54.25/day for private accommodation

Low-income seniors may be eligible for financial assistance through the Alberta Seniors Benefit program. For information, contact **1-800-642-3853**.

Admission to a long-term care facility is based on an assessment of need by a registered nurse from Alberta Health Services. When you request services, the assessment staff may decide that a long-term care facility would provide the most appropriate services. If this decision is made, regional staff will work with the placement service to find the right centre for you.

Alberta Health Services may be able to offer other models of care that combine health services and accommodation. Other models of care include supportive living, adult family care, group homes, special centres for Alzheimer's disease and related disorders, transitional living settings and various types of seniors' day programs.

Individuals who receive funding through Alberta Health Services will undergo assessments like those used for long-term care facilities before they are placed in any of these other models of care.

For more information about long-term care facilities, contact Alberta Health Services. See page 29 for phone numbers and addresses.

Day Support Programs and Day Hospitals

Day support programs are group programs that individuals may attend on a daily basis.

Continued next page...

They are intended as an alternative to admission to an acute care hospital or long-term care facility for people who are frail and/or disabled, and those who need health maintenance, rehabilitation and social or recreational activities. The programs take place in a variety of settings.

To find out if there is a day support program or a day hospital in your community, contact Alberta Health Services. See page 29 for contact information.

OFFICE OF THE PUBLIC GUARDIAN

Alberta Seniors and Community Supports is responsible for the Office of the Public Guardian (OPG), which offers assistance and services relating to guardianship for dependent adults and personal directives.

Guardianship For Dependent Adults

Guardianship is a legal process that gives an individual (a guardian) the legal authority and responsibility to make decisions about non-financial personal matters on behalf of a dependent adult. Dependent adults are individuals over the age of 18 who are unable to care for themselves and unable to make reasonable judgments about personal matters.

Continued next page...

Office of the Public Guardian directly assists Albertans by:

- providing additional information about how to apply for a guardianship order;
- funding 12 community agencies to assist the public in applying for guardianship; and
- providing self-help kits for people who wish to apply for guardianship without hiring a lawyer.

There are some costs associated with the granting of an order. Where the legal costs would be a hardship for a dependent adult or an applicant, the applicant may be eligible to have OPG contribute to the cost.

Personal Directives

A personal directive lets you choose another person, called an agent, to act on your behalf with regard to personal, non-financial matters such as where and with whom you live, health care and legal matters. Anyone over the age of 18 can complete a personal directive, and it can be made with or without the assistance of a lawyer. It becomes a legal document when it is dated, signed and witnessed.

There is a secure, online registry that allows individuals to voluntarily register their personal directive at no cost. This registry allows health care professionals to find out if an individual has a personal directive and how to contact their agents if needed. A personal directive form is also available on the website. For more information, visit the website **www.seniors.alberta.ca**, or contact the Office of the Public Guardian at:

ALBERTA HEALTH FACILITIES REVIEW COMMITTEE

The Health Facilities Review Committee strives to improve the quality of care and quality of life for patients and residents in Alberta's health care facilities. One of the main roles of the committee is to routinely review and inspect health care facilities and observe the manner in which they are operated. Routine reviews are not announced in advance, which enables committee members to observe the facility under normal operating circumstances.

Another role of the committee is to receive and investigate complaints about the care, treatment and standards of accommodation provided to specific patients or residents in hospitals, nursing homes, mental health or special care centres. For more information, contact:

SUPPORTIVE LIVING AND LONG-TERM CARE ACCOMMODATION STANDARDS

Alberta Seniors and Community Supports is responsible for ensuring that supportive living and long-term care facilities meet accommodation standards. These standards cover services like meals, housekeeping and building maintenance. They help ensure that quality accommodation and related services are being provided to seniors throughout the province. This is done by licensing supportive living facilities and monitoring long-term care facilities for their compliance with the standards.

Supportive Living Public Reporting
Alberta Seniors and Community Supports has an online public reporting site for Albertans to use to see how individual supportive living facilities are complying with the accommodation standards. The accommodation standards are designed to promote a safe and comfortable environment for residents of supportive living facilities.

The public reporting site provides easy access to up-to-date information on each supportive living facility, including:

- location and contact details;
- compliance with accommodation standards;
- licence status – facilities with a full licence have complied with all accommodation standards. Facilities with a conditional licence have a compliance action plan in place to meet all accommodation standards by a specified date; and
- a list of verified complaints for three months after have they have been resolved.

FRAUDS AND SCAMS

Every day, seniors are at risk of being taken advantage of by criminals. Although many legitimate businesses market their products and services over the telephone (telemarketing), door-to-door, or through the internet, mail, newspaper and magazine ads, there are some dishonest people who will use these methods to try to take your money.

Learn how to tell the difference between a legitimate and honest offer and those individuals that could be defrauding you.

Continued next page...

Remember, legitimate businesses are not concerned about consumers checking past customer relationships and are willing to wait for consumers to decide to use their services. If they are reluctant to give you any information, you should be just as reluctant to hire them.

POWER OF ATTORNEY

Granting Power of Attorney gives another individual (called your attorney) the power to make decisions and act on your behalf. Power of Attorney is voluntary and limited to matters of property and finance. It does not allow someone to make personal or health decisions on your behalf. For information on guardianship or personal directives, see pages 37-38.

Limited Versus General Power Of Attorney

A *limited* Power of Attorney gives your attorney the power to handle certain financial affairs only; for example, your affairs at a particular bank.

A *general* Power of Attorney gives your attorney the power to handle all financial affairs, including applying for and administering federal and provincial benefits.

Power Of Attorney/Enduring Power Of Attorney

The following is a brief description of the differences between a Power of Attorney and an Enduring Power of Attorney. For more detailed information, visit the Alberta Justice and Attorney General website at **www.justice.gov.ab.ca/dependent_adults/default.aspx**.

Power Of Attorney

- you must be mentally competent to appoint an attorney;
- it takes effect immediately; and
- ends if you become mentally incapable of managing your affairs.

Enduring Power Of Attorney

- specifically states that the Power of Attorney remains in effect should you become mentally incapable of managing your affairs; and
- can contain conditions, such as requiring a written statement from a physician indicating that a specific event has occurred.

Although not mandatory, you may wish to consult a lawyer for assistance in drafting your Power of Attorney document.

LAST WILL AND TESTAMENT

A will is a written document that allows you to set out how your property is to be distributed after you die. A will allows you to name a person to act as your executor after your death and to make certain that your property is distributed according to your wishes. A will does not have any legal force or effect until after you die.

There are three different types of wills:

- **formal will**: prepared for you by a lawyer;
- **holograph will**: prepared by you and done in your handwriting; and
- **will kit**: forms obtained from stationery stores that you complete yourself.

If you require a lawyer or would like more information on wills or executors, contact the Lawyer Referral Service at **1-800-661-1095**. See page 18 for more information.

What Happens If You Die Without A Will?

If you die without a will, your property will be distributed according to the provisions of the *Intestate Succession Act*. Information about this *Act* is available in the *Saying Farewell* handbook.
